CUBUSAN
Real time protection.

WINTERSTEIGER
Thinking about tomorrow.

Cubusan CP-120

Air purifier for room disinfection.

Featuring innovative STER EX plasma technology

Preventive against flu and corona virus mutations

Your benefits summed up:

- The system neutralizes up to 99.9% of all germs (viruses and bacteria) in ambient air
- Instantly attacks viruses and bacteria - where and when they enter the room
- Extremely energy-saving thanks to 8 W continuous output
- Silent – 32 dB(A)
- Requires no maintenance or upkeep
- Harmless to health, tested and certified
- No OZONE or UV-C treatment

Protects the entire room in real time and permanently – even when people are present.
